

## Mission 2: Small acts matter!

Small acts matter and add up. So let's start with a simple way to show you how this journey will evolve. It won't only be a board game. If we are happy with winning the game but we leave it with it, what impact do we have?

Pick up at least 3 pieces of trash wherever you are, take a photo or video and tag @TheTrashTraveler in a story **if** you have Instagram. **If not**, share your footage to at least 3 friends or family members with an invitation to do the same. This is a simple way of creating a movement and spreading the seed to others in an easy way.

***Looking forward to your photos!*** 😊
